

*Kensington  
+ Chelsea  
Foundation*

**The K+C  
Philanthropy  
Circle**

## Join us

Become part of our network of incredible local philanthropists by joining The K+C Philanthropy Circle with a minimum donation of £5,000 per annum. Invest in our community and help us to create lasting change for our most vulnerable residents.

## The Power of Local Giving

At The K+C Foundation we are passionate about the power and impact of local giving. We offer our supporters the chance to help address the significant inequalities in our borough by improving the education, mental health, skills and job opportunities of disadvantaged residents. From providing tutoring and mentoring projects, to counselling support and warm homes, your donation will make a meaningful difference right on your doorstep.

Your giving will be efficient and effective. Last year, 93p in every £1 was spent on our charitable work, reaching 23,300 residents in need.

By joining The K+C Philanthropy Circle, you'll play a vital role in improving the lives and life chances for the most vulnerable residents in our community.

*"How could you not want to be involved once you understand the difficulties our near neighbours face?"*

Founding member of The K+C Philanthropy Circle

## Membership Benefits

The K+C Philanthropy Circle members will receive exclusive invitations to events which offer a deep-dive into issues affecting the borough and the chance to hear real stories from frontline heroes helping to address them. This will include:

- **Visits to impactful local projects to see the work in action**
- **Storytelling events that offer a behind-the-scenes look at some of the borough's most innovative projects**
- **Hands-on volunteering experiences to make a real impact in the community**
- **Invitation to our Annual Impact Report Launch to hear directly how your support has made a difference over the year**
- **Access to exclusive, private events featuring distinguished speakers**
