

Building a better life together

The Kensington and Chelsea Foundation supports impactful local projects that improve the lives and life chances of the most vulnerable and disadvantaged in our community. Over the last 12 months, we have invested in 157 projects, providing a lifeline to 28,907 residents in need.

Our strategy, informed by our research on local need, is focused on improving education, mental health and skills and employment outcomes in the borough.

By becoming a Friend, Patron or Champion, you will help us to tackle these challenges and make a meaningful difference in our community.
